Cultural and Ethnic Food and Nutrition Education Materials:  
A Resource List for Educators 
April 2011

This publication is a collection of resources on the topic of cultural and ethnic food and 
nutrition education materials. Resources include books, pamphlets and audiovisuals and are 
limited to those published in 2005 or later. Many of the pamphlets are available in single 
copies and some may also be purchased in bulk from the organization listed (Web addresses 
are provided for materials available online). The books and audiovisuals can be either 
borrowed from your local library or purchased from your local book store.

Materials included in this list may also be available to borrow from the National Agricultural 
Library (NAL). Lending and copy service information is provided at the end of this document. 
If you are not eligible for direct borrowing privileges, check with your local library on how to 
borrow through interlibrary loan. Materials cannot be purchased from NAL. Contact 
information is provided if you wish to purchase any materials on this list.

This Resource List is available from the Food and Nutrition Information Center’s (FNIC) Web 
A complete list of FNIC publications can be found at http://fnic.nal.usda.gov/resourcelists.

Table of Contents:

ISBN: 978-0764135774  
Description: Serves as an encyclopedia of more than 6,700 entries describing culinary terms, cooking techniques and ingredients from herbs and spices to wines and desserts.

Spanish for the Nutrition Professional, 2nd Edition  
Peggy A. Batty and Mary Jo Kurko, MPH, RD  
Online Ordering Information: http://www.eatright.org/Shop/Product.aspx?id=5013  
Description: This pocket guide is designed to assist the dietetics professional in communicating with and counseling Spanish-speaking clients. This resource contains illustrations for basic food items, English-to-Spanish translations of measurements, numbers, phrases, and common foods, as well as sections on culture-sensitive interviewing, working with interpreters and choosing culturally appropriate materials.
What I Eat: Around the World in 80 Diets
Peter Menzel and Faith D’Aluisio
ISBN: 978-0984074402
Description: Offers a photographic study of people and their diets from around the world, revealing what people eat during the course of their day.

II. Full-Text Online Information

American Indian Health
U.S. National Library of Medicine, National Institutes of Health
Description: Serves as an information portal to information on issues affecting the health and well-being of American Indians. Health topics include: diabetes; children’s health; elder’s health; and heart diseases. Also provides information on: culture and traditions; research and statistics; and links to programs, services, and organizations.

American Indians and Alaska Natives and Diabetes
National Diabetes Information Clearinghouse, National Institute of Diabetes and Digestive and Kidney Diseases, National Institutes of Health
Description: Provides a list of publications, press releases, statistics and resources addressing diabetes among American Indians and Alaska Natives.

Asian Diet Pyramid
Oldways Preservation Trust
Full text: http://www.oldwayspt.org/asian-diet-pyramid
Description: Illustrates the traditional Asian diet. Provide a list of common and uncommon foods and flavors from Asian cuisine.

Asian Language Nutrition and Physical Activity Brochures
Center for Weight and Health, University of California, Berkeley
Description: Series of five culturally-sensitive and relevant educational pamphlets developed to reduce the risk of adult and child obesity among specific Asian immigrant populations. Topics include: Healthy food options; healthier fast food and soft drinks choices; healthy weight for children; daily physical activity; and balancing TV and computer time with play time. Materials are available in Cambodian, Hmong, Vietnamese, Korean, Laotian and Chinese.
Chinese Language Food and Nutrition Resources
American Dietetic Association and Chinese Americans in Dietetics and Nutrition Member Interest Group
Full text:  http://www.eatright.org/Public/content.aspx?id=5691
Description:  Offers Chinese language food and nutrition information handouts. Topics include: MyPyramid; basic guidelines for high blood pressure; cholesterol content in food; diabetic diet; low-fat diet; iron; and tips for weight control.

Food Distribution Program on Indian Reservations Fact Sheet
Food and Nutrition Service, U.S. Department of Agriculture
Description:  Explains USDA’s Food Distribution Program on Indian Reservations (FDPIR) including eligibility, participation, and types of foods and services provided.

Animal and Plant Health Inspection Service, U.S. Department of Agriculture
Description:  Manual covers fruits, vegetables and herbs imported into the U.S. from other countries. Descriptions contain common and scientific names, as well as pictorial identification guides.

Kosher Q&A
Orthodox Union
Full text:  http://www.ou.org/kosher/kosherqa/
Description:  Information on Kosher food and explanation of Kosher supervision and certification of foods.

Maintaining a Healthy Weight on the Go: A Pocket Guide
National Heart, Lung, and Blood Institute, National Institutes of Health
Description:  Provides tips for choosing lower-fat and lower-calorie options when dining out or ordering take-out at Chinese, French, Italian, Middle Eastern, Japanese, Indian, Mexican and Thai restaurants.

Making Health Communication Programs Work: Pink Book
National Cancer Institute, National Institutes of Health
Full text:  http://www.cancer.gov/cancertopics/cancerlibrary/pinkbook/page1
Description:  Offers health professionals guidance in producing and implementing health communication programs. Tips suggest ways to tailor process to various communication needs.
Mediterranean Foods Alliance
Oldways Preservation Trust
Full text: http://www.mediterraneanmark.org/
Description: Guides consumers in how to shop for, prepare, and enjoy foods, drinks and dishes of the Mediterranean diet. Includes: Mediterranean Diet Pyramid; recipes; “Make Each Day Mediterranean” toolkit; menu ideas and shopping tips.

Menus and Menu Planner
National Heart, Lung, and Blood Institute, National Institutes of Health
Description: Provides examples of reduced calorie menus for traditional American meals as well as ethnic meals.
Asian-American Cuisine
Southern Cuisine
Mexican-American Cuisine

Minority Women’s Health
Office on Women’s Health, U.S. Department of Health and Human Services
Full text: http://www.4woman.gov/minority/
Description: Gives women’s health information on various topics, including general nutrition, diabetes, heart disease, and osteoporosis, geared to African American, American Indian/Alaskan Native, Asian Pacific Islander, and Hispanic/Latina women.

Northern California Indian Development Council’s California Native Food & Nutrition Program
Northern California Indian Development Council
Full text: http://www.ncidc.org/food/index.html
Description: Describes the California Food and Nutrition Program (CFNP) which helps assist Tribal communities identify local, state, and federal resources to meet the nutrition needs of low-income Indian people. The CFNP compiles and distributes food and nutrition monthly newsletters and information to California Tribes and community-based organizations. Past newsletters are available for download on their Web site as well as two cookbooks containing recipes using native foods (and many using commodity foods). The Web site also provides general information about several federal child nutrition programs.
On the Move to Better Heart Health for African Americans
National Heart, Lung, and Blood Institute, National Institutes of Health
Description: Covers heart healthy living including information on heart disease, high blood pressure, blood cholesterol, diabetes, weight management and smoking cessation.

Profiles of Latino Health: A Closer Look at Latino Child Nutrition
National Council of La Raza
Full text: http://www.nclr.org/index.php/issues_and_programs/health_and_nutrition/health_care_reform/hcrarchive/healthprofiles/nutritionprofiles/
Description: Third in a series of reports addressing health needs of the U.S. Latino population. Examines the latest research and data on twelve issues affecting Latino child nutrition.

Sisters Together: Move More, Eat Better
National Institute of Diabetes & Digestive & Kidney Diseases, National Institutes of Health
Description: This program is designed to encourage African American women aged 18 and older to control their weight by increasing physical activity and eating healthy foods. Program guide and materials are available on the Web site.

What Is Halal?
The Islamic Food and Nutrition Council of America (IFANCA)
http://www.ifanca.org/
Description: Explains principles of Halal, the foods appropriate under Muslim law. Includes a shopper’s guide, glossary and frequently asked questions.

III. Videos, Kits, Models, and Graphics

American Foods of the South Set
Life/form replicas; 10 plastic models
Ft. Atkinson, WI: NASCO.
NAL Call Number: Model no. 6
Description: Contents: barbecued chicken, black-eyed peas, collard greens with salt pork, corn bread, diced turnips, grits, hush puppies, lima beans with salt pork, pan-fried catfish, and roasted spareribs.
Cooking Demo II  
Food and Health Communications, 2005.  
**NAL Call Number:** Kit no. 469  
**Description:** Contains food demonstration lessons that emphasize the use of fruit, vegetables, whole grains and beans. While mostly for use with consumers, one lesson addresses training staff on food safety during food demonstrations. Ethnic Cooking lessons are also included. Lesson leader guides feature objectives, rationale, materials needed, preparation required, activity ideas, recipes, make-ahead options and garnish/presentation tips.

Lynn Walters and Jane Stacey  
Cooking with Kids, 2005.  
**NAL Call Number:** TX661 .W343 2005  
**Description:** Engages elementary school children in hands-on learning with fresh, affordable foods from diverse cultures. Students are encouraged to explore a variety of foods using all of their senses, in an interactive, fun way that allows them to make their own healthy diet choices. Grade divisions within lessons for K-1, 2-3 and 4-6.

Fit Kids = Happy Kids/Niños Saludables = Niños Felices  
Southwest Region Educating Communities on Healthy Options, Southwest Region WIC Programs, 2005.  
**NAL Call Number:** Kit no. 495  
**Description:** The kit can be customized by state agencies and culturally specific graphics and illustrations can be inserted. The kit may be used to support current state activities or, along with the 12 vignettes on DVD, to train staff. Features of the tool kit include: “Healthy Habits for Healthy Weights/Hábitos sanos para un peso sano” flip chart designed to reinforce positive eating, activity and TV behaviors and answer parents’ questions about how they can help their children develop healthy habits. Also includes “Jump for Joy/Brinca con Blanca,” a children's physical activity and nutrition book, and a poster, “Help your child build healthy habits for a lifetime./Las costumbres saludables de hoy duran toda la vida.” Also included is an educator-focused training manual which contains six modules.
Food and Fitness Matter: Raising Healthy, Active Kids
1 DVD (24 min.)
**NAL Call Number:** DVD no. 124 English, DVD no. 119 Spanish
**Description:** DVD provides parents the information and support they need to make changes at home and in their local schools. In the video, health and nutrition experts, including former U.S. Surgeon General Dr. David Satcher, explain the causes for the dramatic increase in overweight kids and the health problems associated with childhood obesity. The video also presents practical tips for parents to improve diet and fitness at home and profiles of schools and districts that successfully switched to healthier foods.

Food Replica Package No. 3
Life/form replicas; 26 plastic models
Ft. Atkinson, WI: NASCO.
**NAL Call Number:** Model no. 5
**Description:** Along with various replicas of food from different food groups, includes the following Mexican-American foods: enchiladas, flour tortilla, refried beans, taco and Spanish rice.

International Foods 2: Africa and the Middle East Powerpoint
**Description:** Covers: North (Egypt & Morocco); West (Senegal & Nigeria); East (Ethiopia & Kenya); South Africa and the Middle East. Contains 25-30 content slides on CD plus activities, assignments, web resources, copy-ready handouts, and a quiz.

International Foods 3: Asia Powerpoint
**Description:** Covers: China, Japan, Korea, Indonesia, Thailand, India, and Russia. Contains 25-30 content slides on CD plus activities, assignments, web resources, copy-ready handouts, and a quiz.

Italian Food Model Kit
Life/form replicas: 10 plastic models and 1 booklet
Ft. Atkinson, WI: NASCO.
**NAL Call Number:** Model no. 8
**Description:** Contains 10 models of Italian foods. The accompanying booklet contains recipes and food exchanges.
Latin American Food Model Kit
Life/form replicas; 25 plastic models and 1 booklet
Ft. Atkinson, WI: NASCO.
NAL Call Number: Model no. 31
